GRAPHICS PANEL TEMPLATE

MATFIELD MODULAR READER RAIL 4515

Updated 2026-06-12

This template is for the large graphic panel in front of the pedestal.

The pedestal and small graphic bolt onto a modular reader rail.

See the modular reader rail template for the small graphic panel.

Avoid imagery that crosses the seam from the large graphic to this smaller panel; perfect alignment during production is difficult.

The pedestal panel graphic dimensions are 45" wide by 15" tall.

Please provide an additional 1/2" bleed on all sides (so the artwork should end up 46" wide by 16" tall).

Keep all text or critical imagery 1/4" in from the cut line.
